

The CDS Collaborative for Performance Improvement*: A Resource for Advancing your Healthcare Quality, Safety and Efficiency Efforts

Bella Center Complex, conference room #17
August 21, at 09:30 – 11:00 AM

Agenda

- ▶ Brief overview of CDS/PI Collaborative's tools and processes**, and how these are helping provider organizations, vendors, federal agencies and others improve care delivery
 - Dr. Jerry Osheroff (Founder, CDS/PI Collaborative; Principal, TMIT Consulting, LLC; Adjunct Associate Professor of Medicine, University of Pennsylvania)
- ▶ Open discussion about attendees performance improvement efforts and results, and how tools and collaboration – such as in the CDS/PI Collaborative – can support these activities
 - All session attendees

*AMIA is a CDS/PI Collaborative Society Partner
